Please also note:

- Make cashier's check payable to "**US Treasury/URS Federal Services Inc**".

Sale Terms & Conditions

General Property Live Auction

Pompano Beach, FL

PLEASE NOTE: For documentation purposes, the U.S. Departments of Treasury and Homeland Security reserve the right to record and/or videotape any and all sales. All persons attending this sale are responsible to read, understand, and comply with the terms of sale as specified herein and agree to be bound thereby. Each registered bidder is solely responsible for the use of his/her bidder number and any use by another person is presumed to be with the consent of and contractually binding on the registered bidder. In order to comply with the Electronic Freedom of Information Act Amendments of 1996 (5 U.S.C. 552 (2000)), bid results will be published on a Government-designated website and will include the following: lot number, lot description, purchase price, and successful bidder's name. All items are sold by lot. All bids are subject to AECOM/Treasury approval. Upon approval, the highest bid offered will be the winning bid. AECOM does not ship property. See Terms of sale for removal of property details. Please read the entire Terms of Sale in the catalog or below prior to participation in the auction.

REGISTRATION - IN PERSON BIDDING: Persons wishing to participate in the live bidding process of the sale are required to obtain, fill out, and submit a bidder registration form along with a valid Government-issued photo I.D. at the sale site prior to sale. Registration is available at the live preview and the day of the auction. Each bidder must obtain a bidder number and sales catalog to complete registration.

REGISTRATION - ABSENTEE BIDDING: Persons who are not able to attend the live auction in person may submit absentee bids by registering online for the specific sale at www.cwsmarketing.com. A \$5,000 credit card authorization is required to submit absentee bids.

ABSENTEE BIDDING: Absentee bids are accepted until 12:00 PM local time the day prior to the auction. All absentee bids submitted are MAX bids, and an auction representative will bid on behalf of absentee bidders up to the MAX amount. If a bid from those in attendance is not made, bids will be started at half of the absentee bid for lots receiving only one absentee bid. Lots with multiple absentee bids will be opened one increments higher than the second highest bid (Increments determined by the auctioneer).

If an Absentee Bidder is the high bidder for a specific lot, payment invoices will be emailed to you at the end of the live auction after the floor bidding is complete. If your purchase is less than \$5,000, your credit card will be processed for the total purchase amount and you will receive a

Template Pompano Beach, FL Live Terms

paid invoice. If your high bid is \$10,000 or greater, the initial \$5,000 credit card bid deposit will be collected. An invoice showing the additional deposit due, plus the total balance due, along with a credit card payment link, will be emailed following the close of the auction. Purchases of \$10,000 or less are payable the day of the sale. Purchases over \$10,000 require a \$10,000 deposit the day of the sale, with the balance due the Friday following the sale at 12:00 noon local time. All items offered as-is with no warranty. All other Terms and Conditions of Sale remain in effect. By registering online, Absentee Bidders authorizes AECOM to charge the \$5,000 deposit amount to the credit card on file to pay for purchases made at this auction. Any additional deposit, as well as the total payment amount may be paid via a credit card, bank wire or cashier's check. See DEPOSIT and PAYMENT INFORMATION below or in the auction catalog.

CONDITION & DESCRIPTION: The condition of the items being offered varies from "NEW" to "SALVAGE." The buyer understands and agrees; (1) that any description or sample of the property/merchandise given or furnished by AECOM is derived from records and documents that may be unverified as to accuracy, is solely for identification, and DOES NOT CREATE ANY WARRANTY, expressed or implied, that the property/merchandise actually conforms to such description or sample; (2) all weights, measurements, and descriptions must be considered approximations and do not create any warranty; (3) that the property/merchandise is purchased and accepted by buyer "AS IS," and "WITH ALL FAULTS." AECOM MAKES NO WARRANTIES OR GUARANTEES WHATSOEVER WHETHER WRITTEN, ORAL, OR IMPLIED AS TO QUALITY, QUANTITY, CONDITION, USABILITY, SALABILITY, WEIGHT, MEASUREMENTS, OR OTHER SPECIFICATIONS.

INSPECTION: Bidders are urged to inspect property/merchandise prior to bidding. Failure to inspect shall not constitute cause for cancellation of sale. Property/merchandise is available for inspection only at places and times specified by AECOM. Absolutely no access to property/merchandise is allowed without prior AECOM authorization. AECOM may, at its discretion, provide photographs, "stock photos", slides/samples, or a video presentation as a courtesy to bidders. Bidders are warned against bidding on any lot(s) based solely on the sample displayed or on the basis of photographs. AECOM makes no warranty in relation to these samples or photographs.

BIDDING: It is the bidder's responsibility to pay attention to items being offered for sale and to bid on items in which he/she is interested. Normally, items are sold in the sequence listed in the sales catalog. Lot numbers are for administrative purposes only and do not describe the property/merchandise. CAUTION: Lot numbers identify a particular item or portion of items being sold; however, lot numbers posted on property/merchandise during public inspection may not match catalog lot numbers. Bidders are responsible to ensure the catalog or announced/online description of any item they intend to purchase matches the property/merchandise inspected. Sale of property/merchandise will not be cancelled due to bidder misunderstanding, failure to pay attention to the bidding, or failure to inspect property/merchandise.

WRITTEN BID: Written Bids may be submitted in person or by registered mail and are subject to the same terms and conditions of sale as those bidders physically present at the auction. Written Bid Forms are available online at www.cwsmarketing.com. If the item you wish to place a written bid on is lotted with other property you must bid on the entire lot, not the individual item. Written bids may

Template Pompano Beach, FL Live Terms

be used as the opening bid. Written bids are not bid incrementally, but are a fixed offer to purchase the listed items at the stated bid amount.

AECOM recommends using an overnight delivery service in order to ensure your written bid arrives by the date and time indicated. Acceptable method of payment will be cashier's check. Make cashier's check payable to **US Treasury/URS Federal Services, Inc.** for the full bid amount. Indicate sale number and lot number or description on outside of sealed envelope. Please ensure that your name and phone number (or other means of contacting you) are included with your written bid. Mail all bids to URS, 2951 NW 27th Avenue, Pompano Beach, FL, 33069. Attn: GP Auction. Bids must be received no later than 4:00pm the day prior to sale date. Unsuccessful bids will be returned within five (5) business days via Federal Express.

SIMULCAST BIDDING: Live simulcast bidding may be available for some lots. Please check the "Simulcast Bidding" link on the auctions web page at www.cwsmarketing.com for details. If offered, all simulcast bidders must fill out and submit the Credit Card Authorization Deposit form and submit a long with a copy of a valid driver's license to the email or fax listed on the Form. All Bid Forms must be submitted by 2:00pm the day prior to sale to be considered for simulcast bidding. Neither AECOM nor CWS accepts responsibility for loss of connectivity, technical difficulties or other circumstances beyond our control during the simulcast bidding process.

DEPOSIT: Total purchases of \$10,000 or less will require payment in full on day of sale. A minimum of \$10,000 is required on day of sale for all purchases over \$10,000. Once purchases reach \$10,000, an immediate deposit of \$10,000 is required.

PAYMENT FORM: Acceptable forms of payment are cash, cashier's check or credit card, U.S. funds only. Bank wires may be used for final payment. Make cashier's check payable to **US Treasury/URS Federal Services, Inc.** Personal or business checks, certified checks, bank letters, debit cards or letters of credit are not accepted. ALL CREDIT CARD RECEIPTS MUST BE SIGNED BY THE ORIGINAL CARDHOLDER. Credit cards issued to a buyer's spouse will not be accepted for use by the buyer.

CHANGE: Change will not be made for more than 10 percent of the purchase price. It is recommended that bidders paying by cashier's check submit multiple checks in small denominations if they do not expect their purchases to equal the deposit amount.

FINAL PAYMENT: Final payment(s) must be made by **3:30 PM ET on Friday, September 27, 2019** at AECOM, 2951 NW 27th Avenue, Pompano Beach, FL, 33069, via cash, cashier's check, bank wire or credit card. NO EXTENSIONS FOR FINAL PAYMENT.

PAYMENT MUST BE MADE BY SUCCESSFUL REGISTERED BIDDER. MONIES RECEIVED BY PARTIES OTHER THAN THE SUCCESSFUL REGISTERED BIDDER WILL BE DECLINED. Electronic bank transfers for final payment of purchases must originate from an account of the registered buyer or the business the buyer represents. The transfer must include the bidder number. Any electronic bank transfers received from an account other than that of the registered bidder will not be accepted and will be returned to the originating bank. BANK WIRES MAY TAKE UP TO 24 HOURS TO PROCESS.

REFUNDS: AECOM makes no refunds, adjustments, or returns. All purchases are final.

Template Pompano Beach, FL Live Terms

SPECIAL REQUIREMENTS FOR IRS-CI PROPERTY: Lots offered by the IRS-CI are noted in the catalog. The IRS-CI reviews all bidders for IRS-CI offered lots and approval may take up to three (3) business days. This does not change the requirements for payment. Please call 954-861-5730 before pickup to ensure that the IRS-CI has approved your purchase.

FLORIDA STATE SALES TAX: Florida State sales tax of 6% will be applied to applicable lots. No sales tax is collected on deposits; sales tax is due on the total transaction when payment of the full purchase price is ultimately made. A duly executed, notarized affidavit exempts non-Florida resident dealers from Florida sales taxes. This exemption applies to property/merchandise that will be transported outside the state of Florida by the nonresident dealer for resale and for no other purpose. A notarized affidavit accompanied by a copy of the buyer's current resellers tax exempt certificate exempts transactions from Florida sales tax.

Both Florida and out of state bidders must present a copy of their current tax exempt certificate for each auction at the time of registration to be exempt from taxes.

DEFAULT: Failure to make required payments or property/merchandise removal within time specified shall be deemed forfeiture of any right, title and interest buyer may have acquired in the property/merchandise. Said property/merchandise shall revert and repossess to the United States Government without further notice to the buyer and will result in any monies paid being forfeited and the transaction shall be null and void as to buyer.

RESERVE: AECOM reserves the right to accept or reject any and all bids. Property/merchandise is offered subject to acceptance of the seller, unless the property/merchandise, in explicit terms, is offered without reserve. If reserve price is not achieved, the auctioneer may withdraw the property/merchandise at any time until he announces completion of the sale. Bidding on lots, with high bid amounts that do not meet an established reserve, will be closed "Reserve Not Met". The high bid amount will be forwarded for government approval. If the high bid is approved the high bidder will be notified via telephone or email as to bid confirmation.

REMOVAL: Property/merchandise must be paid in full before removal — no partial release of any lots. All property/merchandise in a lot must be released to original buyer at one time. Only non IRS-CI, "Hand carried" items will be released on the day of sale. Release will begin approximately one hour following the end of the auction on sale day. Removal is by appointment only and must be completed by Thursday, October 3rd, 2019 **for domestic property/ merchandise** and Monday, November 25th, 2019 **for export only property/merchandise**. Buyer must present a photo I.D. at the time of property/merchandise release.

AECOM Warehouse hours for property removal are Monday-Friday, 9:00am-noon, and 1:00pm-4:00pm. Removal at off-site storage locations is by appointment only. Contact information for these facilities is located in the auction catalog. Should registered buyer wish to send an agent to pick up property/merchandise, buyer must prepare and sign an authorization letter identifying the agent to act on his/her behalf, and provide them with the Release Documents and a copy of the buyer's photo I.D.

Template Pompano Beach, FL Live Terms

AECOM WILL NOT SHIP ANY ITEMS. IT IS THE SOLE RESPONSIBILITY OF THE BUYER TO REMOVE THE PROPERTY/MERCHANDISE PURCHASED BY THE REMOVAL DATE. REMOVAL IS AT THE EXPENSE, LIABILITY, AND RISK OF THE BUYER. Removal must be completed on or before the dates below or buyer will default the terms of sale and property/merchandise will be resold by U.S. Department of the Treasury.

Note: **AECOM offices will be closed in observance of all U.S. Federal Holidays and removal is not available on these days.** Property/merchandise must be removed from the storage location stated in each lot description. Loading of property will be on pallets "as is". No hand stacking or de-palletizing will be possible. All trucks must be onsite prior to loading start. BUYER AND VENDOR MUST SIGN PROPERTY/MERCHANDISE RELEASE DOCUMENT AND SUBMIT TO COPY TO AECOM AS PROOF OF DELIVERY TO BUYER. STORAGE ARRANGEMENTS AFTER REMOVAL DATES ABOVE ARE SOLELY BETWEEN THE BUYER AND VENDOR. THIS DOES NOT APPLY FOR EXPORT ONLY MERCHANDISE OR ANYTHING STORED AT THE AECOM FACILITY. NO EXTENSIONS FOR PROPERTY/MERCHANDISE RELEASE.

EXPORT ONLY INFORMATION: Any property listed in the sales catalog "Export Only" may not be entered into the commerce of the United States and must be exported. EXPORT ONLY ITEMS MUST LEAVE THE UNITED STATES DIRECTLY FROM THE STORAGE FACILITY. NO DIVERSIONS ALLOWED. Removal for property designated EXPORT ONLY requires that the buyer or the buyer's agent present the exportation document form 7512 in addition to the above noted release documents at the time of removal.

Please go to <http://www.cbp.gov/trade/basic-import-export> for export information. AECOM/CWS is prohibited from providing Export Documents or assistance with the exportation of any lots. It is highly recommended that participants research the exportation process prior to bidding.

TITLE DOCUMENTS: Title for applicable lots will be conveyed via the below documents and will take up to 21 days from the date of final payment to be sent to Buyer. For information on Title Documents please contact AECOM at gpauctions@urs.com, or by calling (703) 647-2850 or (954) 861-5730.

ADDITION OR DELETION FROM SALE: AECOM reserves the right to withdraw from sale any of the items listed, to sell at this auction items not listed, and to group or subdivide lots. AECOM reserves the right to sell all of the items listed in bulk, whenever the best interests of the U.S. Government will be served.

DISPUTES & REBIDS: The AECOM Sale Manager's decision is final in settling disputes. A bidder's retraction does not revive any previous bid.

ADDITIONAL TERMS & CONDITIONS: The preceding contains only selected Terms and Conditions of Sale. Complete Terms and Conditions may be requested by calling (703) 647-2850, by fax at (703) 331-0102, or via email at gpauctions@urs.com.

**SALE OF GOVERNMENT PROPERTY
GENERAL SALE TERMS AND CONDITIONS**

1. GENERAL INFORMATION:

The placement of a successful bid at a U.S. Department of the Treasury auction establishes a legally binding contract between the successful high bidder and the Treasury Department. The auctioneer's announcement of the high bid amount and the bidder's number establishes the contract which may be subject to final acceptance by the Government. This contract is bound by these Terms and Conditions as well as special terms and conditions published by the Contractor for the specific auction and other Federal regulations governing contracts for the purchase of government property. The successful bidder is legally bound to pay for property awarded in accordance with his/her bid.

The contractor is acting as the agent of the Government with respect to the sale of Government property.

2. ELIGIBILITY OF BIDDERS:

The Bidder warrants that he/she is not:

- a) Under 18 years of age;
- b) An employee of any department or agency of the Federal Government prohibited by the regulations of that agency from purchasing property sold hereunder;
- c) An agent or immediate member of the household of the employee in b) above;
- d) The contractor, subcontractor or vendor, their agent or employee who has access to information concerning the property to be sold at U.S. Department of the Treasury auctions that is not generally available to the public;
- e) Presently debarred or declared ineligible for the award of contracts by any Federal agency in accordance with 41 CFR 101-45.6;
- f) The party or representing the party(s) from whom the property was seized and/or forfeited;
- g) Or presently suspended from bidding due to repeated sale default.

The Contractor's subcontractor may not act as agent for a third party in purchasing Department of the Treasury property that is or has been in their custody or control. For breach of any of these warranties, the Government shall have the right to cancel the contract without liability.

3. REGISTRATION OF BIDDERS:

All persons wishing to participate in the bidding process of the sale site are required to obtain, completely fill out, and turn in a bidder registration card at the sale site prior to sale.

An individual's signature/initials on the bidder registration card is an acknowledgment of his/her full and complete understanding of all terms and conditions of the sales contract and his/her agreement to be bound thereby. The sales catalog

and sales brochure may also contain terms and conditions constituting part of the sales contract. Each bidder must present Government-issued photo identification as a prerequisite of registration (i.e. driver's license, military ID or passport).

Each bidder will be issued a bidder number along with a sales catalog upon completion of registration. Each registered bidder is solely responsible for the use of his/her bidder number and any use by another person is presumed to be with the consent of and contractually binding on the registered bidder.

The registrant agrees that, should the registrant be the successful bidder on a lot, the following information regarding the transaction shall be published on the U.S. Department of the Treasury auction website:

- 1) The registered bidder's name;
- 2) The lot number;
- 3) The lot description; and,
- 4) Purchase price of lot.

Electronic Freedom of Information Act Amendments of 1996 (5 U.S.C. 552 (2000)).

4. VIDEO RECORDING:

The Contractor may videotape the conduct of sale which may be utilized in dispute resolution processing and for other purposes as needed.

5. INSPECTION OF PROPERTY:

The bidder is invited, urged, and cautioned to inspect the property prior to submitting a bid. The failure to inspect property shall not constitute cause for cancellation of sale. The property or a representative sample of property will be available for inspection at the places and times specified by the contractor. Absolutely no access to property is allowed without prior contractor authorization.

6. ORAL STATEMENTS AND MODIFICATIONS:

Announcements may be made on the day of the sale to clarify property status, catalog descriptions, or other information specific to a lot or item. These announcements take precedence over sales catalog information pertinent to that property, but do not alter in any way the basic terms and conditions of sale. An errata sheet will be distributed to provide bidders with an up-to-date posting of lot additions, deletions, or modifications. The errata sheet information replaces the applicable corresponding information in the sales catalog.

Further, no interpretations of any provision of the sale contract, including the applicable performance requirements, shall be binding on the Government unless furnished or agreed to, in writing, by the Contracting Officer.

**SALE OF GOVERNMENT PROPERTY
GENERAL SALE TERMS AND CONDITIONS**

7. ADDITION/WITHDRAWAL OF PROPERTY:

The Government reserves the right to withdraw from sale any of the items listed in the sales catalog/brochure or to sell at auction items not listed.

8. PROPERTY DESCRIPTIONS:

The Government warrants to the original Purchaser that the property listed in the sales catalog for bids will conform to its description. This warranty is in place of all other guaranties and warranties, express or implied. The Government does not warrant the condition, quality, or merchantability of the property or its fitness for any use or purpose. The condition of items offered varies from "NEW" to "SALVAGE." The Purchaser understands and agrees that all property is purchased and accepted "AS IS, WHERE IS" and "WITH ALL FAULTS."

The amount of recovery under this provision is limited to the purchase price of the inaccurately described property. The Purchaser is not entitled to any payment for loss of profit or any other money damages, including special, direct, indirect, incidental, or consequential.

For Purchasers claiming recovery under the warranty of description, no refund will be made unless the Purchaser:

- a) Submits a written notice to the Contractor within 30 calendar days of the date of removal that explains in what manner the property was inaccurately described.
- b) If the Government agrees, then a full refund of the money received will be returned.

If a misdescription is determined before removal of the property, the Government will keep the property and refund any money paid. If a misdescription is determined after removal, the Government will refund any money paid if the Purchaser takes the property at his/her expense to a location specified by the Contractor. The Purchaser must maintain the property in the same condition as when removed.

9. OFFERING OF PROPERTY FOR AUCTION AND SUBMISSION OF BIDS AND AWARDS:

The auctioneer will offer each item/lot in accordance with catalog sequence or by special announcement. All bidders will communicate their bid amounts orally or by such other means as may be recognized by and acceptable to the auctioneer.

A lot will be sold to the highest bidder upon acceptance of the final bid amount by the Government. In the event the bidding does not exceed the Government's minimum reserve price,

the auctioneer will close the bidding subject to acceptance by the Government.

For open and progressive voice auction sales, it is the bidder's responsibility to pay attention to items being offered for sale and to bid on those items in which he/she is interested.

In the event of a dispute as to the amount bid, item or item number, and/or paddle number of the Bidder, the Government reserves the right to reoffer the item in question. Once the Government accepts a bid, a contract is established and the Purchaser may not withdraw the bid. The auctioneer will not accept unilateral conditions asserted by the high bidder.

The invoice, as to the name and number of the Purchaser, and the amount of the bid shall be prima facie evidence of these facts of the sale, and all disagreements will be resolved in accordance with such records.

10. COLLUSION:

Practices that eliminate competition, such as collusive bidding, may warrant criminal, civil, or administrative action against the participant(s) and may be referred to the Department of Justice (DOJ) in accordance with 41 U.S.C. 101-45.317.1.

11. CONSIDERATION OF BIDS:

The Government reserves the right to reject any and/or all bids, and to waive any technical defects in bids. All property is sold with a minimum reserve price unless the goods are, in explicit terms, offered without a minimum reserve price. If the minimum reserve price is not achieved, the Government may withdraw the goods at any time until the completion of sale.

12. FORMS OF PAYMENT:

Forms of payment are cash, cashier's check, or credit card (American Express, Discover, MasterCard, and Visa), where acceptable by the Government. Photo identification of the registered bidder must be presented to initiate the payment process. Payment for each lot must be made by the successful registered bidder for that specific lot. Cashier's checks must be made payable to U.S. Treasury/URS Federal Services Inc. Personal or business checks, bank letters, or letters of credit are not acceptable. All cash payments of \$10,000 or more will be reported to the Internal Revenue Service (IRS) in accordance with 26 U.S.C. 6050 Section I (d). in order to comply with this requirement, bidder must provide their Social Security Number or Federal ID number if a business, along with date of birth at the time of payment in order for completion of IRS Form 8300.

**SALE OF GOVERNMENT PROPERTY
GENERAL SALE TERMS AND CONDITIONS**

Acceptance of credit cards is subject to verification and approval by the issuing institution. Credit cards issued in the name the registered bidder or the company he/she represents are the only cards that will be accepted for payments. Each credit card receipt must be signed by the original cardholder. Credit cards issued to a Purchaser's spouse or in another individual's name will not be accepted for use by the Purchaser.

The Purchaser agrees to the publication of his/her/company registered name, lot number, lot description and purchase price on the U.S. Department of the Treasury auction website. Electronic Freedom of Information Act Amendments of 1996 (5 U.S.C. 552(2000)).

13. DEPOSITS:

The Purchaser agrees to make deposits in accordance with the instructions in the sales catalog/brochure. The Purchaser agrees to pay for property awarded to him/her in accordance with their successful bid.

14. FINAL PAYMENT:

Full payment of the purchase price must be received by the Contractor within the time specified in the sales catalog/brochure and prior to the release of any property.

In addition to the forms of payment listed in paragraph 12, bank wires may be used for final payments. Any electronic bank transfer must originate from an account of the registered bidder or the business the bidder represents. The transfer must include the bidder number and all applicable sale lots. Any electronic bank transfers received from an account other than that of the registered Purchaser will not be accepted and will be returned to the originating bank. All final payments must be made and received by the date and time specified in the sales catalog/brochure or the bidder will be placed in default of the contract.

The Purchaser agrees to the publication of his/her/company registered name, lot number, lot description and purchase price on the U.S. Department of the Treasury auction website. Electronic Freedom of Information Act Amendments of 1996 (5 U.S.C. 552(2000)).

15. APPLICABLE TAXES:

All purchasers are responsible for the payment of any and all applicable taxes imposed by any state, country, county, or political subdivision.

The Purchasers may be required to pay such taxes to the cashiers at time of sale or to tax officials after purchase is made. If sales taxes are required, presentation of proof of payment will be required prior to property release.

16. ISSUANCE OF PAYMENT/RELEASE DOCUMENTATION:

Upon receipt of full and final payment for each purchase, the Contractor shall provide the Purchaser with a receipt of each deposit or payment. Sale receipt(s) and release documents will only be issued in the name/company name of the registered bidder.

17. PREPARATION FOR SHIPMENT, LOADING AND REMOVAL:

The Purchaser is responsible for making all arrangements for the packaging and removal of their purchases. When property is described in the sales catalog as being boxed, packed, crated, skidded, or in containers, the Government does not warrant that the property, as packaged, is suitable for shipment. Segregation, culling, or selection of property for the purpose of effecting partial or incremental release will not be permitted. The Purchaser shall remove the property at his/her expense.

All Purchasers or their authorized representatives will be required to present sale receipt(s) and release document(s) prior to the initiation of any shipment preparations. If a Purchaser designates a representative agent, broker or transporter to pick up their sale property, the Purchaser must prepare and sign an authorization letter identifying the agent to act on their behalf. The Agent must present photo identification to validate the Purchaser's option prior to initiation of any action.

18. REMOVAL FROM SALES CENTERS OR COMMERCIAL STORAGE LOCATIONS:

Any items purchased at auction will be released to the Purchaser or his designated representative upon presentation of the sale receipt(s) and release document(s). If Purchaser elects to have a designated representative (transporter, broker, other) pick up his/her property, that person must have all sale receipt(s) and release document(s) and an authorization letter signed by Purchaser for removal.

All property stored at the Contractor's facilities must be removed by the dates specified in the sales catalog/brochure; no extensions of storage time will be granted. The failure to pick up property by the specified time will be declared a default against the Purchaser as specified in paragraph 23.

All property stored at commercial warehouse facilities must also be picked up by the time specified in the sales catalog/brochure and an appointment should be scheduled in advance. The failure to pick up property by the specified time will be declared a default against the Purchaser as specified in paragraph 23.

**SALE OF GOVERNMENT PROPERTY
GENERAL SALE TERMS AND CONDITIONS**

19. REMOVAL OF EXPORT ONLY:

Any property listed in the sales catalog "For Export Only" may not be entered into the commerce of the United States and must be exported under conditions described in the sales catalog/brochure. A representative sample from large, commercial quantity "export only" lots (greater than ten cartons) may be released to the Purchaser upon full payment if the sample is available at the sales center.

All Purchasers are responsible for complying with all applicable federal licensing and permit regulations prior to exportation. The failure of the purchaser to obtain necessary licensing will not result in the return of any monies tendered for the goods.

The Contractor shall provide a copy of the required procedures for export, when available from the Government, to the Purchaser at the time of final payment. Unless a different period for removal is applicable with respect to goods or conveyances that are sold "For Export Only," the Purchaser will have 60 days from auction day to remove the property from the United States or Purchaser will be deemed in default and the property will be resold by the Government as provided in paragraph 23 of these Terms and Conditions of Sale.

All forms required for exportation may be obtained at a nominal cost from the U.S. Government. Because of the complexity of some export requirements, the Purchaser may wish to secure the services of a Customhouse Broker, bonded carrier, or other professional in securing the necessary documents required for exportation. The Contractor will offer no assistance whatsoever.

20. LIMITATION OF GOVERNMENT LIABILITY:

Except for reasonable packing, loading, and transportation costs (such packing, loading, and transportation costs being recoverable only when a return of property at the Government's cost is specifically authorized in writing by the Contracting Officer or other costs authorized in writing by the Contracting Officer), the measure of the liability of the Government under any provisions of the terms and conditions in any case where liability of the Government to the Purchaser has been established shall not exceed the refund of such portion of the purchase price as the Government may have received.

21. TITLE:

The Contractor shall furnish the Purchaser with all documents in its possession that have been provided to the Contractor by the Government relating to the title, registration, or licensing of the property sold to the purchaser. However, the Government does not warrant or guarantee that the documents it possesses and furnishes to the

purchaser, if any, are sufficient to obtain any necessary licenses, registrations or titles or that licenses, registrations or titles can be obtained.

22. MARITIME EXPORTATION:

The Purchaser, whether a U.S. citizen or an alien, may not export any vessel from the United States or its territories or possessions without first obtaining the approval of the Department of Transportation, Maritime Administration, Washington, D.C. 20590, pursuant to the provision of the Shipping Act of 1916, as amended (46 U.S.C. 801 et. seq.). To export a commercial vessel, a license from the Department of Commerce, Bureau of Industry and Security, Bureau of Export Administration, Washington, D.C. 20230, is required. For further information, contact (202) 482-2721.

23. DEFAULTS:

The failure to make required deposit or final payments and/or comply with the time frames specified in the sales catalog/brochure for removal of property shall be deemed forfeiture of any rights, title, and interest the Purchaser may have acquired. The title of such property shall revert back to the Government without further notice to the Purchaser and will result in any monies paid being forfeited. The transaction shall be null and void as to the Purchaser. The property will be processed for resale at the next available auction.

In addition, any Purchaser who defaults for non-payment will have their account suspended and bidding privileges revoked as follows:

- a) Six-month suspension after second occurrence
- b) Lifetime ban for any occurrence thereafter

24. REQUIREMENTS TO COMPLY WITH APPLICABLE LAWS AND REGULATIONS:

It is the Purchaser's responsibility to ascertain and comply with all applicable Federal, State, local, and multi-jurisdictional laws, ordinances and regulations pertaining to the registration, licensing, handling, possession, transportation, transfer, export, processing, manufacture, sale, use, or disposal of the property listed in the sales catalog.

The Purchaser or user of this property is not excused from any violation of such laws or regulations either because the United States is a party to this sale or has had any interest in the property at any time.

25. FALSE ADVERTISING AND UNFAIR OR DECEPTIVE ACTIONS:

The use of false or misleading advertisements in commerce or other unfair or deceptive practices are unlawful (15 U.S.C. 45, et. seq.). In disposing of any property purchased from the Government,

**SALE OF GOVERNMENT PROPERTY

purchasers should exercise extreme caution in preparing advertisements to ensure that they do not violate applicable Federal, state or foreign government laws.
