All property is being offered for sale on behalf of the United States Department of Treasury. The contractor is acting as an agent of the Government with respect to the sale of Government property.

The placement of a successful bid at a U.S. Department of the Treasury auction establishes a legally binding contract between the successful high bidder and the Treasury Department. Retraction of a bid is not allowed. At the close of bidding, the high bid amount by the indicated bidder establishes the contract, which is subject to final acceptance by the Government. This contract is bound by these Terms and Conditions as well as any special terms and conditions published by the Contractor for the specific auction and other Federal regulations governing contracts for the purchase of government property. The successful bidder is legally bound to pay for property awarded in accordance with his/her bid.

Deposit: A \$25,000 good-faith deposit is required to participate in the auction. Deposits must be submitted via bank wire. Bank wire instructions will be emailed to you upon completion of the online auction registration. Deposits for participants who were not successful in the auction will be returned within five business days from the date of the auction.

Inspection: Bidders are urged to inspect property/merchandise prior to bidding. Failure to inspect shall not constitute cause for cancellation of sale. Property/merchandise is available for inspection only at places and times specified online. Absolutely no access to property/merchandise is allowed without prior authorization. When available, CWSAMS may, at its discretion, provide photographs, "stock photos", slides/samples, or a video presentation as a courtesy to bidders. Bidders are warned against bidding on any lot(s) based solely on the sample displayed or based on photographs. No warranty will be made in relation to these samples or photographs.

Condition & Description: All known information pertaining to the condition and description of the property has been posted on the website. Bidders may obtain additional information by attending the live previews and visually inspecting the items. Lot numbers are for administrative purposes only and do not describe the property/merchandise. Bidders are responsible to ensure the catalog or announced/online description of any item they intend to purchase matches the property/merchandise inspected. Sale of property/merchandise will not be cancelled due to bidder misunderstanding, failure to pay attention to the bidding, or failure to inspect property/merchandise. License plates and registration tags do not convey with the property.

The buyer understands and agrees; (1) that any description or sample of the property/merchandise given or furnished is derived from records and documents that may be unverified as to accuracy, is solely for identification, and DOES NOT CREATE ANY WARRANTY, expressed or implied, that the property/merchandise actually conforms to such description or sample; (2) all weights, measurements, and descriptions must be considered approximations and do not create any warranty; (3) that the property/merchandise is purchased and accepted by buyer "AS IS," and "WITH ALL FAULTS." CWSAMS, Amentum AND THE FEDERAL GOVERNMENT MAKES NO WARRANTIES OR GUARANTEES WHATSOEVER WHETHER WRITTEN, ORAL, OR IMPLIED AS TO AGE, YEAR OF MANUFACTURE, MAKE, MODEL, ODOMETER, QUALITY, QUANTITY, CONDITION, USABILITY, SALABILITY, WEIGHT, MEASUREMENTS, OR OTHER SPECIFICATIONS.

Bidding Details: Upon successful registration and receipt of the good-faith deposit, bidders may login to their account and bid once the auction starts. Bid increments are preset amounts and cannot be changed. In case of technical difficulties, or a change in the auction/lot status, bidders will be notified via email, and/or an auction lot's details will be updated. It is the bidder's responsibility to pay attention to bidding and be aware of any auction updates.

Placing a Maximum Bid: All bids placed are maximum bids. The website will enter the next bid increment and enter your bid as a maximum bid. The website will bid on your behalf up to your maximum bid by the preset bid increment. Example: The current bid is \$1000, and the bidder enters a maximum bid of \$5000, with a bid increment of \$100. The system will bid one increment (\$1100) until the bidder's "Maximum Bid" is exceeded. **EXCEPTION: If the bidder enters a bid equal to or above the reserve amount, then the system observes the reserve amount as the next increment.** If a participant's maximum bid is exceeded, the bidder will be notified by email or text message (if available) that they've been outbid. Bidders may increase the bid but not lower it. In the case of a tie bid, precedence is given to the earliest bid.

Auction Soft Close: All auction lots end with a "Soft Close." A "Soft Close" means if any bid is placed within the last (1) one minute of the close of the auction, the bid will automatically extend the closing time an additional (1) one minute. This feature protects bidders from being outbid without the opportunity to be notified and place another bid before the close of the auction.

Technical Problems and Transmission Issues CWSAMS has made every reasonable effort to facilitate online bidding. However, it is possible that technical problems and transmission issues may arise and affect the CWSAMS website, bidding system and/or computer or server or your computer, personal device or software which is beyond the control of CWSAMS. By bidding online

Bidder acknowledges that CWSAMS is not responsible for technical problems or transmission issues associated with a bid and that, in the event technical problems interfere with or prevent a bid, it may be necessary to withdraw items from bidding due to technical errors or uncontrollable circumstances. Further, in the event of the occurrence of a technical problem during any bid in any auction, CWSAMS in its sole discretion reserves the right to declare an item sold, postpone or cancel the auction, extend the bidding time for this auction and/or re-list the property for auction at another date and time. The decision of CWSAMS on this matter shall be final. Bidder acknowledges that, by bidding in any auction held by CWSAMS, Bidder accepts the terms and conditions of this Disclaimer.

Auction End & Bid Approvals: When the auction closes, the page will display either SOLD or UNSOLD. **SOLD** indicates the reserve (*if there is a reserve*) was met and establishes the high bid, which may be subject to government acceptance. Successful bidders will be notified via email of their status as the winning bidder and will be bound by the payment terms as found in the "Offering of Property for Auction and Submission of Bids" paragraph. **UNSOLD** indicates the final bid did not meet the reserve. In this case, CWSAMS will provide the high bid to the Government for consideration. If the Government accepts the high bid, the bidder will be notified. Notification may take up to 72 hours.

Reserve: The federal government and their agents reserve the right to accept or reject any and all bids. Property/merchandise is offered subject to acceptance of the seller. The auctioneer or the United States Department of Treasury may withdraw the property/merchandise at any time and reserves the right to approve final transfer of property to the successful bidder, even after the auction closes.

Following the close of the auction, the government may still approve the high bid achieved if the reserve price is not met. The high bidder will be notified via email or phone within 2 business day following the close of sale if the high bid not meeting reserve is accepted by the government. ALL HIGH BIDS ARE CONTINGENT UPON GOVERNMENT APPROVAL.

Final Payment: Final payment must be made within 48 hours following bid approval by the Government. The Government has 72 hours to approve bids that do not meet reserve. The errata sheet information replaces the applicable corresponding information in the sales catalog.

Further, no interpretations of any provision of the sale contract, including the applicable performance requirements, shall be binding on the Government unless furnished or agreed to, in writing, by the Contracting Officer.

varies from "NEW" to "SALVAGE." The Purchaser understands and agrees that all property is purchased and accepted "AS IS, WHERE IS" and "WITH ALL FAULTS."

The amount of recovery under this provision is limited to the purchase price of the inaccurately described property. The Purchaser is not entitled to any payment for loss of profit or any other money damages, including special, direct, indirect, incidental, or consequential.

For Purchasers claiming recovery under the warranty of description, no refund will be made unless the Purchaser:

- a) Submits a written notice to the Contractor within 30 calendar days of the date of removal that explains in what manner the property was inaccurately described.
- b) If the Government agrees, then a full refund of the money received will be returned.

If a misdescription is determined before removal of the property, the Government will keep the property and refund any money paid. The Purchaser must maintain the property in the same condition as when removed.

9. OFFERING OF PROPERTY FOR AUCTION AND SUBMISSION OF BIDS AND AWARDS:

The auctioneer will offer each item/lot in accordance with catalog sequence or by special announcement. All bidders will communicate their bid amounts orally or by such other means as may be recognized by and acceptable to the auctioneer.

A lot will be sold to the highest bidder upon acceptance of the final bid amount by the Government. In the event the bidding does not exceed the Government's minimum reserve price, the auctioneer will close the bidding subject to acceptance by the Government.

For open and progressive voice auction sales, it is the bidder's responsibility to pay attention to items being offered for sale and to bid on those items in which he/she is interested.

In the event of a dispute as to the amount bid, item or item number, and/or paddle number of the Bidder, the Government reserves the right to reoffer the item in question. Once the Government accepts a bid, a contract is established and the Purchaser may not withdraw the bid. The auctioneer will not accept unilateral conditions asserted by the high bidder.

11. CONSIDERATION OF BIDS:

17. PREPARATION FOR SHIPMENT, LOADING AND REMOVAL:

The Purchaser is responsible for making all arrangements for the packaging and removal of their purchases. When property is described in the sales catalog as being boxed, packed, crated, skidded, or in containers, the Government does not warrant that the property, as packaged, is suitable for shipment. Segregation, culling, or selection of property for the purpose of effecting partial or incremental release will not be permitted. The Purchaser shall remove the property at his/her expense.
